

Innovation Voucher Program Workshop

Find out how the Innovation Voucher Program helps small technology and knowledge-driven businesses in Alberta get their ideas and products to market faster. Companies can apply for vouchers worth up to \$15,000 or \$50,000 to be used with a service provider for business and technology development services.

This workshop will:

- clarify program details
- review eligibility requirements
- explain the “how to’s” of completing an on-line application

Application deadlines are bi-monthly with the next deadlines set for December 1st, 2010 and February 1st, 2011. Learn if your company is eligible and how to apply for a voucher.
