

Request for Ideas

What do you want Bow Island to look like?

The Town of Bow Island, with the help of the Economic Development Alliance of Southeast Alberta, will be undertaking revitalization projects. These projects will increase tourism, by creating a primary vision and theme for the Town of Bow Island. This may include building design themes for commercial properties, gateways, and signage. Please take part in this initiative by offering advice on the following:

- **Theme of Bow Island** - One thing you want Bow Island to be known for. Examples: agriculture, special events unique to Bow Island, things of historical or cultural importance, etc.
- **Commercial building themes** - face lifts to existing buildings or new construction. Would you like to see a coordinated appearance relating to the theme above.
- **What locations** would you suggest for entrance gateway features into Bow Island (highway, Centre Street, etc)

Help make Bow Island stand out from all other communities in South East Alberta!

Please email your ideas to Kelsie at kbastura@edalliance.ca, or call 403-488-7015.

Thank you for your participation. Your input is largely appreciated!

You could also drop off this form with your input at the Bow Island Town office.
